## PROFILE

Hi! My name is Anita and I am a flexible and developing Junior UX Designer with extensive graphic design experience and illustration skills. Diverse, I believe in mixing creativity, curiosity, and the desire to always be a learner in all my projects. When it comes to working out complex issues or facing new ones, creativity drives me forward with enthusiasm for what I do during intuitive user experience development or dynamic WordPress site creation. In addition to constantly looking ahead through various interests, and other discoveries of mine which are rooted in perpetual learning and reinvention of myself as an individual.
